The column took ap its line of march at

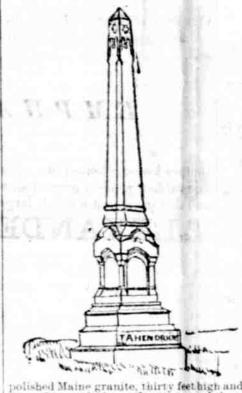

12:48 p. m., but its progress was retarded in the business district owing to the block-ading crowds, which far outnumbered the moving column. It proceeded slowly through the great masses of people on Washington street. The military organizations attempted to march with company front, but were repeatedly compelled to break into columns of fours and move by the flank. The carriages were driven three abreast. The movement was slow, the bands playing dirges, making the progress at times almost imperceptible until the column merged upon Meridian street, a broad and handsome avenue leading to the entrance to the beautiful Crown Hill Cemetery. The cortege moved on by the handsome homes of the wealthy, whose windows and sidewalks were filled with great throngs standing respectfully.
